December 14, 2023

AQR has been recognized as one of Pensions & Investments' Best Places to Work in Money Management for 2023, marking the seventh consecutive year that the firm has received this distinction.

The award is primarily based on an employee survey. This year employees shared that the firm's collaborative culture, generous benefits, supportive colleagues, and focus on learning and development are just a few of the reasons why AQR continues to be such a special place to work.
